6300 Kč

### Jana Kafková

Through paintings, she expresses her emotions, feelings and joy, which she experiments while creating her art. Portraying self-expression and creativity is her way to express as an individual.

## “Polo Match”

Gouache on canvas  
on white wooden frame  
2022  
60cmx80cm  
1250€

### Gerard Auer

“When I work with a brush and paint, I feel the freedom of life. I would like to pass this power on to the viewers of my pictures and feel the same way as I do.”

The artist leaves the viewer navigate through the imagination and creativity.

## "Red Fantasy II"

Acrylic on canvas  
worked with spatula  
2024  
80cmx60cm  
1000€

### Silvie Kořistková

Silvie Kořistková is an abstract artist whose work explores inner creativity, harmony, and femininity. She began publicly exhibiting her art in 2018, gaining international recognition through collaborations with galleries like GALLERY STEINER VIENNA and awards in Italy. Her work includes unique 3D paintings using metallic pigments and 24-carat gold. In 2024, Silvie continues to support charitable causes by donating her art to auctions.

## “La perle bleue”

Acrylic on canvas

2024

110cmx100cm

1200€

### Thomas Cierco

Thomas, a 22-year-old self-taught artist from Sète, draws inspiration from his travels, museum visits, and modern influences like Bacon and Picasso. He specializes in creating unique and expressive portraits, often shaped by the music he listens to while working, blending elements of cinema, music, and personal memories.

## "Osaka long drink "

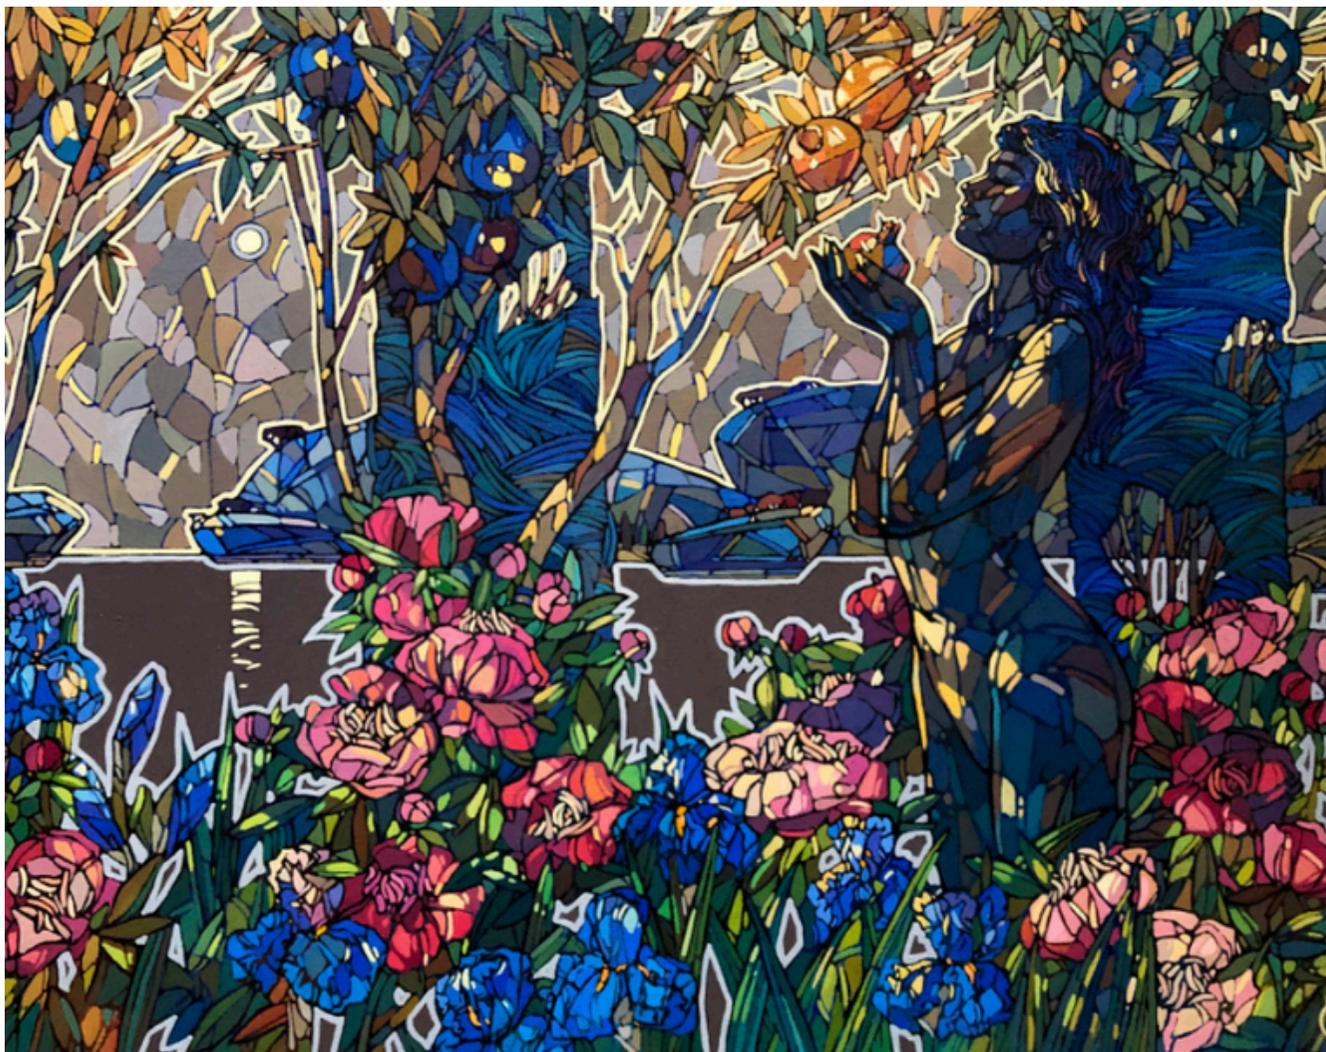

Acrylic on canvas  
2023  
32cmx39cm  
250€

### Gizi

Gizi is the artist of purity of soul.

His works express serenity and are surprising in that they show the mastery of his technique with the simplicity of the subjects he deals with.

The characters in his paintings transmit his personality in an overwhelming way, and in "his eyes" you hear words that tell stories of distant countries.

## "The taste of the pomegranate "

Oil on canvas  
2023  
80cmx115cm  
2100€

### Volodymyr Kolesnykov

Born in 1977 in Poltava, Ukraine, he is a professor at the Kyiv National University of Technology and Design and the Kyiv Academy of Arts and Architecture. His works, found in private collections worldwide, include large-scale muses, still lifes, and landscapes in oil on canvas. The exhibition at CCW Stainach showcases these pieces.

## "Fight your demons"

Mixed media on canvas  
2024  
60cmx50cm  
12 000 Kč

### Klára Langrová

Born in 1982 in Kadan, this artist transitioned from a career in economics to pursue painting. After 14 years, she has developed a unique style using acrylics and other mediums with a distinctive palette. Her works, inspired by dreams and visions, aim to invite emotional introspection. She does not seek to be a great artist but to convey love and joy through her art.

## "Phantom"

Photoprinting with liquid ink

2024

70cmx100cm

3600€

### Martin Luisi

Martin Luisi turned to abstract painting and photography to cope with the early death of his father, transforming his grief into art. Later, he found his calling in art, gaining recognition beyond Austria. Luisi's works, characterized by unique fluid experiments captured through photography, are each printed only once, ensuring they remain one-of-a-kind. His journey reflects a deep connection between loss and creativity.

## "Regatta Blue"

Acrylic on canvas  
2024  
80cmx60cm  
1900€

### VeraD

Born in Prague, Czech Republic, VeraD is the daughter of a businessman and art collector and a soprano from a family of painters. At three years old, her family moved to Paris, where she received academic training that nurtured her artistic sensitivity. Early in her life, she began a career as a professional acrobat with "icarious games," traveling across five continents. This global perspective, along with her passion for scuba diving, shapes her creative identity. VeraD's work reflects a journey through colors and sensations, capturing the world's changes and mutations. She develops her art in studios located in Barcelona, Costa de Azahar (Valencian Community), and Moravia, Czech Republic.
